

"Having RELAY™ made me feel like I was part of the transaction, working together with my agent, with ready access to information anytime I wanted."

*Susan Rose
Client of Julie Miller, RE/MAX Altima*

Online Real Estate

RELAY™ is your agent's easy-to-use personal real estate website that conveniently connects you to your property sale.

CONVENIENCE

Keep up to date anytime, without playing phone tag or making appointments to review paperwork. RELAY™ puts your real estate professional at your service 24/7.

CONFIDENCE

All the documents and notes for your real estate sale are stored securely in an electronic file, so won't need to keep track of extra copies, notes, or important contact information.

COMPLETE SERVICE

Once the sale is closed, all of your real estate information is preserved electronically, keeping important property information easy to find.

Choose a REALTOR® with RELAY™ transaction management for a smoother, faster real estate experience.
